Latest in the series. Retired photographer Frank Siteman has taken photos of places downtown, and your job is to guess where they were taken.

If you know the answer, **send an email to editor@winchesternews.org** and put **How well** in the subject line.

Michael Arwe was the only winner; he guessed it's above Catch a Falling Star on Main Street.

A graduate of Tufts, Frank has taught photography at many institutions and traveled the world to take photos for various publications. His yard on Pond Street backs up to Horn Pond and he frequently displays nature photos on the Facebook Friends of Horn Pond group.
